SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicant submits herewith patents and publications which may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 C.F.R. §1.56. While this Statement may be "material" pursuant to 37 C.F.R. §1.56, it is not intended to constitute an admission that any patent, publication, or other information referred to therein is "prior art" for this invention unless specifically designated as such. A listing of patents and publications is shown on enclosed Form PTO/SB/8A and 8B and a copy of each patent and publication is also enclosed.

As this information disclosure statement is being submitted subsequent to the mailing date of a final office action on the merits in the above reference matter, it is filed in compliance with 37 CFR 1.97(e)(2). No item of information cited herein was cited in a communication from a foreign patent office in a counterpart foreign application. To the knowledge of the undersigned, who has made a reasonable inquiry into the matter, no item of information contained herein was known to any individual designated in Sec. 1.56(c) more than three months prior to the filing date hereof.

If there are any fees or credits due, authorization is given to charge or credit our Deposit Account No. 50-2319 (Order No. A-69489/AJT/MDV).

Respectfully submitted,

Michael D. Van Loy, Reg. No. 52,315
